## August / September Newsletter

## WELCOME BACK!

Another school year has started up, which means learning is happening in our building. It has been so nice to go into classrooms to observe our staff starting to develop and strengthen those relationships with all of our students. This is just such an exciting time of the school year. We have students that are new to the building and others that have been around, like our Class of 2023, that are starting to realize how fast the year will go and the opportunities that await them in planning their futures. These first two months of school are when the groundwork is laid for a successful year.

Although school has started, it is important to look back on how the summer months prepare our students for the school year. These past months are some of my favorites, because it is the time that our students are able to focus on many of their activities outside the regular classroom. In June, we had our athletes in the weight room along with participating in various scrimmages and shootout throughout the state. This time is a great chance for our students to compete and get to know other athletes while also getting to know teammates better as well.

The summer months also allowed many of our FFA members to attend their state convention at the Indiana State Fairgrounds. I was fortunate enough to attend an evening of events which included many of our students being recognized for their hard work and commitment to our program. The night also included watching a former Tri-County student being celebrated for his year of representing the FFA organization as a state officer. This program builds leadership in students which will carry over into the school year.

In July, many of our students were able to focus on preparing for the county fairs that took place right before school started. The time that many of the students put in leading up to the one week event is pretty amazing. Between working with animals and finishing projects, the dedication shown helps these students reach their full potential in representing themselves in the surrounding local counties, and for some, the state fair.

Along with the many summer commitments, there are also those students who are able to work extended hours for local businesses and in the fields. It is great to see our community so willing to employ our students, so they can begin to build up skills necessary for the real world. Overall, the months between our school years are a great time for learning experiences to happen for our students outside our building.

The new school year will bring some changes that I am sure your students may have mentioned. We will still be on a regular block schedule as before, but with our Purple Day moving to Wednesdays. For the high school, this means that classes on this day won't start until 9:05AM with a regular bus schedule. Students that drive or are dropped off do not need to be at school until 9:00AM. Feel free to call the high school office if you have any questions on this change. With this change in our Purple Days on Wednesdays, this means that Red Days will fall on Mondays and Thursdays, while Blue Days will now be on Tuesdays and Fridays.

Our entire staff is looking forward to having all of our students back in the building for learning. If your student has any issues with their schedule, transportation, or any other issue please don't hesitate to contact myself, Mr. McCracken or Mr. LeBeau. If your student has any questions in regards to their schedule or graduation pathway, feel free to call and schedule a meeting with one of our advisors. The lines of communication between our staff, students and parents must be kept open in order to meet the academic and social/emotional needs of everyone involved. Thanks for all that you do in promoting education at Tri-County. I look forward to seeing/meeting each of you towards the beginning of the year at one of the many activities at the school. Continue to stay safe and let's focus on having a positive year for student learning!

Yours in education,

J.R. Haskins

### SCHOOL BEGINS: TRI-COUNTY SCHOOLS

**The first day of school is Thursday, August 11, 2022.** This will be a full day session. Students at the Primary and Intermediate Schools are to arrive prior to 8:20 a.m. at which time classes begin. They are dismissed at 2:55 p.m. At the Junior/Senior High School the first block of the day begins at 8:10 a.m. with dismissal at 3:10 p.m.

## **TRI-COUNTY SCHOOL CORPORATION**

In May 2017, the Tri-County community passed an operations referendum with a historic approval rate of over 91%. This referendum has helped support student learning and achievement and continues to make Tri-County the best small, rural school in Indiana.

The Tri-County School Corporation made referendum campaign promises in 2017.

The Tri-County School Corporation remains committed to keeping those promises by notifying the community about how referendum dollars have been spent and why the funds were so important to our students.

We are pleased to share a brief accounting of how we have been good stewards of referendum funds.

### **Referendum Promises Fulfilled**

1. Addition of a 2nd Jr/Sr. High School Counselor.
2. Splitting of Athletic Director position and Assistant Principal into two positions.
3. Supporting numerous elementary teaching positions with one instructional aide per gradelevel.
4. Tri-County band/choir room, Ag shop, and auditorium renovations.
5. Improvements to outdoor appeal and maintenance of our facilities.
6. Full-time Principal at TCP and TCI.
7. Addition of a full-time Art instructor at TCHS and a 2nd Business instructor.

In addition to fulfilling the campaign promises, the referendum has supported other positions within the Tri-County School Corporation.

- Full-time Counselor at TCP and TCI.
- Addition of 2nd Special Education Instructor at TCI.
- Addition of English-Language Learner Instructor.

In total, referendum funds support 16 Teachers and 15 support staff across TCSC. We continue to keep our referendum campaign promises to the Tri-County Community.

In addition to the staffing promises fulfilled, the Tri-County School Corporation promised to keep the referendum and debt service tax rate neutral for our taxpayers. The operations referendum remains important to help ensure no deficit spending occurs within the district.

The additional funds from the referendum provide our students with the best educational programs with the most impactful instruction in our schools. When our students are successful, our Remington and Wolcott communities become more vibrant and thriving towns benefiting our property and business owners.

Yours in Education,

**Patrick Culp, Superintendent**

---

## **GREETINGS TRI-COUNTY COMMUNITY**

I am so excited and grateful to be named as the new principal of Tri-County Intermediate School. For those of you who may not know me I would like to take a minute to tell you a bit about myself. My husband and I both graduated from Tri-County. We have four children that all attend Tri-County: Jonathan (15), Mackenzie (10), Gabriel (8), and Samuel (7).

I have had the pleasure of serving the community in several capacities since graduating and have been blessed to teach at Tri-County for the past 11 years, with most of that time being in Special Education.

As I begin this new journey transitioning from teacher to administrator, I look forward to working alongside the students, staff, and community to continue to grow and to thrive. I truly care about each and every student and am very excited and humbled with the opportunity to continue to serve our community. Please feel free to reach out to me with any questions and concerns. I look forward to working with everyone. Let's have a great year!

Sincerely,

**Mrs. Katie Pearson**

# FROM THE DESK OF MS. HALL

Welcome to the 2022-2023 school year! The TCP staff is excited for our students to return and to welcome new Cavaliers to the building! TCP is such a special place and that is all due to our amazing staff. We cannot wait to see what amazing things our students will accomplish. Here's to another great year at Tri-County!

*Ms. Hall*

## Back-to-School Night

Tuesday, August 9th from 5:30-7:00 pm is TCP's Back-to-School Night. This is a great opportunity to meet your child's teacher and drop off their supplies before the first day of school.

## Delayed Start on Wednesdays

Every Wednesday morning classroom teachers will have professional development time from 7:45-8:45. Professional development will not impact bus schedules; our buses will run on the same schedule, however, students who are car riders have the option to arrive at 8:45 each Wednesday. Breakfast is still served until 8:20 on Wednesdays.

## Student Arrival & Dismissal

Our doors open at 7:45 am. At that time, walkers and car riders can enter through the main entrance. If your child walks to school, please do not have them arrive before 7:45 as there is no supervision before that time. Breakfast is available to students from 7:45-8:20. If your child arrives to school after 8:20 they are considered tardy for the school day. Our final bell rings at 2:55. Bus riders are taken to their bus or the cafeteria to wait for their bus. Car riders will be walked to their vehicle by a staff member. If you are picking up your child, please stay in your vehicle in the front drive.

## No Homework Policy

TCP is a no homework school. Instead of sending homework each night, we asked that our students:

- read or be read to for enjoyment for at least 20 minutes
- go outside and play
- get a good night's sleep

While no extra assignments will be given, it is possible that students may take home unfinished work from the day to complete. We are hoping this change will allow you to spend more time as a family, foster a love for reading, and allow students to pursue other interests

## TCP is a Peanut Free School

Due to student allergies, our building is peanut free. We ask that no foods containing peanuts or that were processed in a facility that uses peanuts be brought into the building. A list of suggested foods (especially for birthday treats) will be sent home with all of our families and can also be requested at our office. We recognize that this may be an inconvenience at times and appreciate your understanding that this is a serious health issue for several of our students.

## Mark Your Calendar!

### August

8<sup>th</sup>- School Board meeting,  
7:00 pm  
9<sup>th</sup> Back to School Night,  
5:30-7:00pm

## POWERSCHOOL PARENT ACCESS

As a parent/Guardian, be sure you have set up your Parent Access account to get up to date information regarding your student's Grades, Attendance, and Balances. Once you create your account, you can add new students to the same account. **Be sure you request a Parent Access paper for your students, from the office of your child(s) current school to add them to your account.**

Did you know there is a PowerSchool App for your smart phone?  
**Use the QR Codes below to Download the App.**  
**Tri-County's District Access Code is DSMF.**

Download the free mobile app or log on to the online parent portal from any internet-connected device.

---

## YOUR KIDS AND ONLINE SAFETY

The Internet just keeps evolving faster and faster. Here are some links that you can use to foster some great conversations with your children about their use of the Internet and how to stay safe.

FTC Kid's Online Safety...learn about how to talk to your kids about different topics  
<http://www.consumer.ftc.gov/topics/kids-online-safety>

Common Sense Media – Digital Glossary...learn about digital apps and how to decode teens' shorthand  
<https://www.commonsensemedia.org/educators/digital-glossary>

Common Sense Media – Parent Ultimate Guides

Learn the current acronyms...What is your Tween/Teen Texting??  
<https://www.netlingo.com/>

### Tri-County Technology Services

Tri-County School Corporation finds the integration of technology and 21st Century Skills to be very important for our learners. You can visit the Technology Services link on the school web page [www.trico.k12.in.us](http://www.trico.k12.in.us). Links to various online resources your children will use throughout the school year can be found here.

Tri-County Jr. Sr. High School will distribute student devices on the first day of school this year. Your student will find their new device in their locker and will want to stop there before going to any classes. If you should have any questions/concerns about your students 1:1 device, please contact Shannon Kelly, Technology Director at [kellys@trico.k12.in.us](mailto:kellys@trico.k12.in.us) or 219-279-2105 ext 3208.

### School Messenger

Tri-County School Corporation uses School Messenger to send out important information to our families throughout the school year. Please be sure, that you update your phone numbers and email addresses while filling out your online registration forms. **If you should need to change any of this information, during the school year, please contact your child's school and make necessary updates with the main office.**

# - PTO News -

## Meeting Dates

We meet the third Wednesday of every other month at 7:00 at TCI Door #3 (facing Christian Church on 2<sup>nd</sup> Street.

August 17 -September 21 -November 16  
January 18 - March 15 - May 17

## Back to School Night

TCP -Tuesday, August 9<sup>th</sup>, 5:30-7:00 pm

TCI -Wednesday, August 10<sup>th</sup>, 5:30-6:30 pm

Bring in your school supplies, meet your teachers, and see your classroom.

Free Kona Ice for each student!

## Events

Events and sponsored items we plan to host this school year:

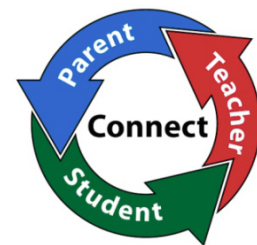

Back to School Night, Classroom Starter Funds, T-Shirts for Students, Butter Braid Fundraiser, Christmas Craft, Teacher Gifts, and School Supply Kits

## Members

All Teachers and Parents of Tri-County Students are members of PTO. The more members that get involved, the more events we could bring back. New ideas are welcome!

Join our Remind group! @tri-copto

## Amazon Smile

Amazon donates a portion of their profits to PTO! To do this, go to [smile.amazon.com](https://smile.amazon.com), sign in like normal, and add Tri-County Schools PTO to your supported groups.

## ***SCHOOL DELAYS, CLOSINGS & EARLY DISMISSAL***

***(PLEASE KEEP FOR FUTURE REFERENCE)***

There are times when school must be delayed or closed due to inclement weather or other emergencies. When this becomes necessary, the Superintendent will make the decision as early as possible to allow parents to make alternative plans. Once the decision is made a School Messenger alert call will be sent out to all parents/stakeholders who have signed up for this service. You can do so by signing up during school registration. You may opt for a phone call, a text, email or any combination of the three. Delays and closings will also be reported Facebook & Twitter and through the following news media:

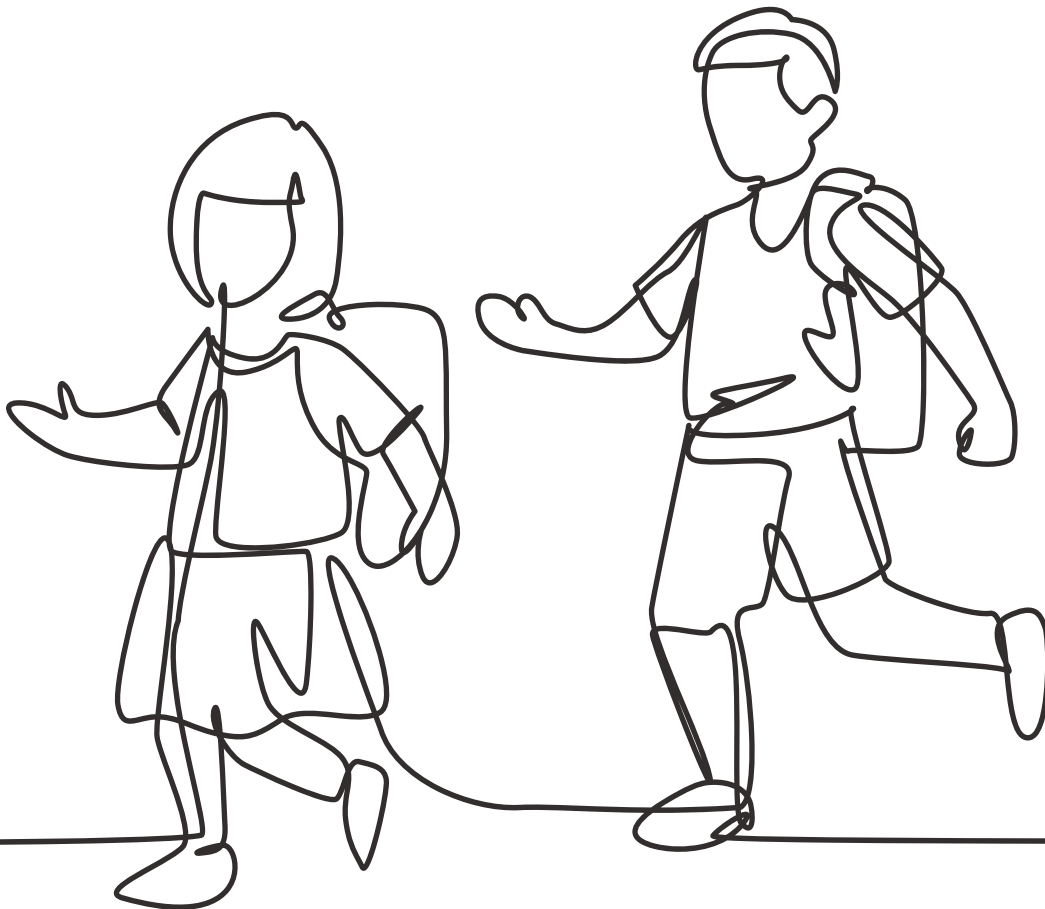

**WLFI      TV-18**

In the case of an unexpected early dismissal, we are requesting that each family formulate a plan so the children will know what to do. Parents of elementary students are asked to send a note to your child's teacher and bus driver, if he or she rides a bus, explaining your family's plan. Parents of Junior/Senior High School students should discuss this plan with their child(ren).

---

## ***PESTICIDE APPLICATION NOTICE***

Periodically throughout the year, it may be necessary that pesticides be applied to external and internal areas of the school building and grounds. If you wish to be given notice of such pesticide applications, please notify the principal of the building. You will be given a form to fill out and will be notified of any pesticide application with at least a 48-hour notice. Pesticide applications will not be done when children, staff members or any other people are present in the area that is to be sprayed.
