As we approach the final stretch of the school year, we are grateful for your continued support and commitment to the education and overall well-being of our students and staff at Tri-County School Corporation.

Finishing the school year strong is vital to our student's academic success and personal growth. With your encouragement and guidance, we are confident that our students will rise to the occasion and achieve their full potential in the remaining weeks of the school year.

In addition to finishing the school year strong, we also want everyone to take advantage of the warmer weather and embrace outdoor activities and recreation opportunities. The parks in Wolcott and Remington offer an excellent, safe environment for families to enjoy walks, play, and soak up some sunshine. Spending time outdoors promotes physical health and rejuvenates the mind and spirit.

As the weather gets nicer and more people venture outdoors, we urge everyone to remain vigilant and exercise caution, especially on the roadways. Please be mindful of our school buses, student drivers, and pedestrians as they navigate through our communities. By practicing safe and responsible behavior, we can help ensure the safety and security of all community members.

Thank you once again for your continued partnership and collaboration. Together, we will finish the school year strong and embrace the opportunities for growth, learning, and enjoyment that lie ahead.

**GO CAVS!**

Yours in Education

Patrick Culp, Proud Superintendent Tri-County School Corporation

# Looking Back & Forward on the Year

As we approach the arrival of spring weather, I am amazed by just how quickly the first three months of 2024 have passed. The third quarter of the school year is regularly packed with field trips, high stakes testing and a bunch of extra curricular events. Through it all, our students and staff have done an outstanding job both in and out of the classroom of representing our community in a way that should make everyone proud. I am constantly getting emails from officials and other schools' administrators commending our students on their behavior. I can't stress enough how good the students are at Tri-County.

In regards to academics, this time of year is both exciting and stressful for both students and staff. As our seniors plan out their futures after graduation, the underclassmen are thinking of the courses and pathways that might help them determine their course in life. Our two new counselors have done an outstanding job this semester of not only meeting the academic needs of all our students, but also the social and emotional side as well.

As we approach the last two months of the school year, it is always enjoyable to reflect back on some of the accomplishments that have been earned by our students. This year includes the following:

- Lilly Endowment Scholarship winner
- The first back-to-back semi-state wrestling qualifier
- Sectional championship in girls volleyball
- Sectional championships in boys basketball
- Multiple FFA award winners
- Regional qualifiers in boys and girls cross country
- Junior high wrestling back-to-back MWC champions
- Multiple industry certifications in drone flying, welding and culinary arts
- BPA national qualifiers
- Band solo and ensemble gold rating recipient
- Choir solo and ensemble gold rating recipients
- Twelve new members inducted into the national honor society
- Three Prairie Arts Council recipients

As I have mentioned in previous newsletters, these student accomplishments wouldn't be possible without the support and guidance of our coaches, sponsors and community members. Our students are fortunate to have such a caring staff that is committed to student achievement.

Along with celebrating these many successes, the administration and staff also have begun planning our graduation celebration for the Class of 2024. This group of seniors have done an excellent job of researching the different options for future success. I am looking forward to keeping track of this group over the coming years. I hope to see everyone at graduation to honor our seniors on Sunday, June 2nd at 2:00PM in the high school gym.

Lastly, I just want to once again thank our entire community for the support that everyone has given our school. I am always amazed by the compassion and generosity that is shown throughout the year by our community. Our students appreciate each of you.

Thank you for caring about the students at Tri-County!

Mr. Haskins

## Music News

Our 4th graders had a great trip in February to hear the Lafayette Symphony in concert. They were a little surprised how much they enjoyed being in the theater and hearing an orchestra in person. AND....they were complimented by one of the ushers for their wonderful concert etiquette!

March found 5th graders attending the Indianapolis Symphony concert! The Wolcott & Remington Chapters of Psi Iota Xi have graciously sponsored the student tickets for over 30 years! We are so grateful for this opportunity for our students! They had an awesome experience and were a great audience! It's a great culmination of the many years the students spend studying instruments of the orchestra and hearing videos: they are so excited to hear and see the orchestra: we had wonderful seats in the balcony. Watch for upcoming concerts for 6th, Junior High and High School band and choir concerts in May-they are already preparing some wonderful music for your enjoyment.

Music in Our Schools Month during March found students discovering themselves in "I see ME in Music Education" and what music is doing in their lives. Tri-County is very fortunate to have music education as our students' lives are enriched and they grow emotionally, intellectually and physically as they are studying music.

## Prevent Summer Slide & Enroll in the Remington Library's Summer Reading

The tendency for students to lose some of their academic achievement gained during the school year over the summer is termed "summer slide." By enrolling your child in the Remington Library's summer reading program is one way to help prevent "summer slide." Our summer reading program runs June 1 to July 31. Children, teens (and adults!) all may join our summer reading and receive prizes as goals are met. This summer bring your child to the library and let them select reading material they would enjoy reading. Also, choose a book for yourself. When your children see you read often it will encourage them to read.

Here at the Remington Library, we also offer educational and fun activities throughout the summer-and they're free. This year's summer reading theme is "Adventures Begin & Your Library." We will start our adventuresome summer with a petting zoon on June 1st. Every Tuesday in June at 2:30pm we will offer a children's program. On Monday, June 10 at 7pm Prophetstown State Park will visit with a program for teens and adults: Crafting with Plants. You may also find a list of our summer programs on our web page, [www.rctpl.lib.in.us](http://www.rctpl.lib.in.us) and social media pages; Facebook and Instagram. A complete list of activities will be out by early May.

This year's summer reading theme is "Adventures Begin & Your Library." You may join anytime during summer, just visit the Remington Library and sign up. When signing up you will receive a folder with your reading record, rules, and program dates. You do not have to join the reading program to participate in the summer activities. We do ask that you sign up for each program you wish to attend so we have supplies for everyone that wishes to participate. Remember these are free programs. Remington Library hours are Monday and Tuesday from 10am-7pm, Wednesday and Friday for 10am-7pm, and Saturday from 9am-1pm. We are closed on Thursday and Sunday. All Tri-County students are welcome to use our library and participate in our programs.

## Tri-County BPA

The Tri-County BPA chapter competed on March 10th-12th at the State Leadership Conference in Indianapolis. Congratulations to those who qualify for the National Leadership Conference in May 10th-14th in Chicago, Illinois! The students who qualified for Nationals are Alivia Pritts, Sara Zarse, Bella Dominguez, Grace Luck, Addison Douglas, Luke Lehman, Levi Schambach, Jasmine Durando, Amalee Scheitlin, Braylon Gretencord, Hayden Baer, Grace Tyler, and Lauren Bledsoe.

# TCP NEWS

APRIL & MAY

As the school year comes to a close I cannot help but stop and reflect on the growth our students have made this year. It always amazes me how much they grow as learners and individuals. Since this is the last newsletter for the school year, I want to remind everyone that our students' learning does not have to stop once they leave these doors for the summer. Often with the change in schedules and less reading over the summer, we notice a decrease in academic skills when they return to school in the fall. Help your child maintain his/her reading development by reading over the summer. Your local library is a great place to start for a program that provides incentives for students reading over the summer. Our students and staff work very hard during the school year, and I know they are all looking forward to the summer break. To our parents and community members, we cannot thank you enough for the support you have shown to our staff, teachers, and students throughout this year. Thank you all for another amazing year! I wish you all a fun, safe, and relaxing summer break!

Ms. Hall

## ***Reminder of Calendar Dates***

Below are a few reminders of calendar dates to be aware of:

- April 8th: no school due to solar eclipse
- April 29th: no school
- May 24th: last student day

## **Field Day**

TCP's Field Day will be May 7<sup>th</sup>. This is an afternoon when our students participate in a variety of fun outdoor activities. We kick off the afternoon with a picnic lunch. Water and break stations are built-in to the schedule, but students are encouraged to bring a water bottle with them. If you want your child to wear sunscreen for the afternoon please send it with them to school. Our rain date will be May 16<sup>th</sup>.

## ***Mark Your Calendar!***

# What's Happening at TCI?

## April/ May

At TCI we would like to thank all of the community members and parents as we finish off our year. We greatly appreciate all of the support that you show us at TCI. We appreciate the community events that are planned with our students in mind and the volunteers who come and help to educate our students.

When the community, parents, and staff all work together we are able to create a support system for each student that is unique and helps them to learn, grow, and to thrive.

Thank you again for helping to make this year a success for our students, our school, and our community.

We hope you all have a safe and enjoyable summer break!

## ILEARN

ILEARN testing starts on Monday, April 15<sup>th</sup>. All of our students will be completing various ILEARN tests from this time until May 10<sup>th</sup>. With the start of the nice weather it can be challenging to stick to routines and bedtimes, but getting adequate sleep and breakfast will help our students to perform their best.

### April

8<sup>th</sup> No School- Solar Eclipse

8<sup>th</sup> School Board Meeting

9<sup>th</sup>- Battle of the Books

9<sup>th</sup> Math Bowl Competition

10<sup>th</sup>- Spring Pictures

29<sup>th</sup> No School

### May

8<sup>th</sup> Field day for TCI

13<sup>th</sup> School Board Meeting

24<sup>th</sup> 6th-grade graduation

## Parents and Guardians

### You can take advantage of our Text Messaging Service

Our school utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more.

You can participate in this free service\* just by sending a text message of "Y" or "Yes" to our school's short code number, **68453**.

You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

SchoolMessenger is compliant with the Student Privacy Pledge™, so you can rest assured that your information is safe and will never be given or sold to anyone.

**Opt-In from  
your mobile  
phone now!**

**Just send  
"Y" or "Yes"  
to 68453**

**Information on SMS text messaging and Short Codes:**

SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.
